

We provide accredited motorcycle-mounted event marshals & videographer chauffeur services

Does your event comply with the SSRE Act of 2010?

If you are not deploying accredited services you do not comply.

Each of our marshals has received comprehensive training in motorcycle riding skills, intense theory of marshalling practices, & in helicopter landing zone control.

REPUBLIC OF SOUTH AFRICA
SAFETY AT SPORTS AND RECREATIONAL EVENTS ACT
NO: 2 - 2010

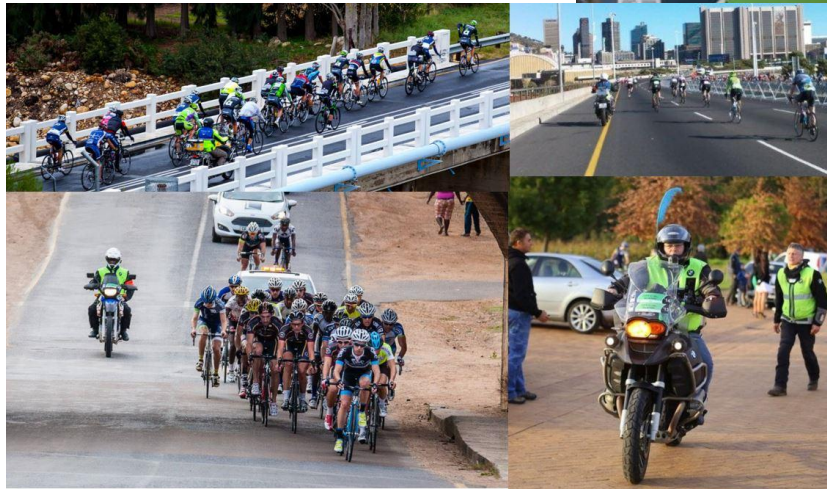

All motommarshals have their accreditation number on their bike as provenance of their event marshal training

We can also provide action camera footage upon request

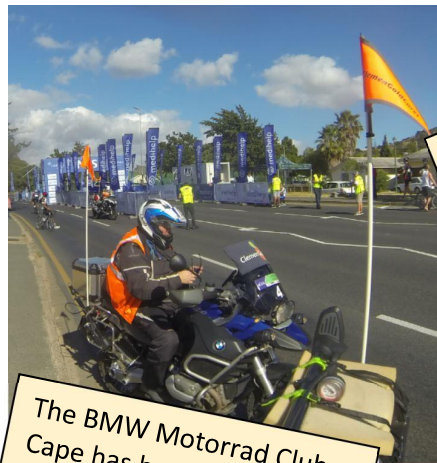

We operate hands free mobile phone communications on the bike

We also work with 2 way radios upon request – bike to commissaire or bike to race control

We work well with race bodies & we understand & integrate with role players :- Traffic officers, WSAR, Omnipage, METRO, Red Cross AMS, all contract event emergency medical service suppliers.

Almost all our marshals are cyclists or ex-cyclists

We are veterans of most main sport events in the Western Cape

The BMW Motorrad Club Cape has been training motorcycle-mounted event marshals since 2008.

Contact us to draw up an SLA and contract us for your annual events
